School Breaks. Full or part time care needed during Spring, Summer and Christmas breaks is available. You will not be charged tuition during full week breaks (M-F) unless you sign up for care. Partial weeks off before Spring, Summer and Christmas breaks are considered a scheduled day off and the SA Additional Care Day rates will apply.

Billing Concerns. Questions regarding billing should be directed to the Site Director.

State CDC Payments and Tuition Assistance. YLC is an eligible provider of child care assistance through the Michigan Department of Education (MDE). The Child Development and Care subsidy program offers help for parents who meet eligibility requirements to receive assistance with the cost of child care. Parents are expected to pay the difference between the MDE payment and the actual YLC charge for tuition. For details on how to apply, see the parent handbook. Families who do not qualify for CDC, but need financial assistance for tuition payments are encouraged to apply for the YLC Tuition Assistance program. Ask your Site Director for a YLC Tuition Assistance Application.
